

DISCIPLINARY PROCESS

Our goal is to run a safe, fair, and fun sailing program that all children will enjoy. We trust that sailors will behave appropriately but, if needed, verbal warnings of misconduct will be given by instructors. MBSC instructors and coaches have some discretion with respect to discipline or behavioural issues.

Incidents of significant behaviour will be logged in the MBSC Sailing School incident book, on a daily basis, and reviewed with the Sailing School Director, or Coach. Incidents include, but are not limited to:

- Misuse of safety whistle
- Violation of the Code of Conduct
- Theft and/or vandalism, including damage to club boats or property
- Failure to obey instructors
- Unsafe behaviour as determined by the instructors

Notices will be made to a parent as follows:

Incident 1 - Telephone call to discuss the situation with the parent and agree upon course of action.

Incident 2 - Meeting between a parent, the Head Instructor and possibly Sailing School Director.

Incident 3 - Meeting between a parent and the Sailing School Director. Possible expulsion.

MBSC reserves the right to issue partial refunds (or not) upon expulsion, at its sole discretion.
