

NOTICE, PRIVACY AND SPORTS INJURY WAIVER

Notice: MBSC Sailing School instructors are required to have a Standard first aid course. They are not medically trained personnel and therefore they cannot be responsible for the dispensing of any medication or treatments, other than first aid. Sailing involves inherent risks, and MBSC instructors expect all students to obey the Code of Conduct and behave in a safe manner. Students must be able to fully participate with their assigned group within the instructor ratio for their level.

Privacy: I agree that core contact information, photographs or videos may be shared with Ontario Sailing, Sail Canada, Government agencies that require statistical information for funding purposes, and law enforcement as required. MBSC, Ontario Sailing and Sail Canada will not sell, lease, rent or use this contact information for any commercial purposes, with the exception that Ontario Sailing may send (on behalf of a potential sponsor) one piece of promotional information. MBSC sailing staff or race team coaches may take photographs and or videos of participants alone or in groups from time to time, for use in providing feedback on technique, teamwork, advertising etc. Unless you indicate otherwise, by checking the box below, you hereby grant permission to use and retain these materials as MBSC Sailing sees fit.

I do NOT grant permission to use photos/videos.

Waiver: I acknowledge that the sport of sailing involves certain risks and I authorize the child's participation at my own risk. I agree that the MBSC, the MBSC Sailing School, Ontario Sailing, Sail Canada and all their instructors, members, agent, employees, volunteers, officers and directors shall not be liable in any way for any loss or injury resulting from or in connection with participation in the sailing program. I accept that the program may also involve land or water activities outside the MBSC property and I authorize the child's participation on or off-site at my own risk.

As a parent or legal guardian, I have read and understand fully the information on this form and I agree to be bound by the NOTICE, PRIVACY and WAIVER statements. I also confirm that the child does not have any special education needs or medical conditions other than the ones I have listed on the application form, if any; and that a false declaration may lead to the immediate dismissal of the child without refund. I understand that no reimbursement for instruction or material fees will be made, even in the case of loss or injury, adverse weather conditions, or equipment breakdown that may prevent sailing activities.
