What interests you in joining our Club and how did you find out about us?		

Social Membership in the Midland Bay Sailing Club is an alternate membership for those people who do not want to keep a boat at the MBSC, but wish to participate in the social activities of the Club. Social members will receive the Snake Island Buoy (Club Newsletter) and are welcome to attend all Club functions. They **may not keep** a boat at the Club, **or** hold office **or** vote at any Club meeting. Social members may not enter a boat in Club races without paying a separate fee, however, they are welcome to crew on any member boat without charge.

The Club operates on a self-help concept. Social members are required to put in 5 hours per (fiscal) year. Work hours are regarded as a vehicle to foster camaraderie among the members as well as complete work projects around the Club. The cost of not completing

work hours is \$50.00 per hour. Hours are established based on our work hours year, January 1st to November 30th.

Fees for Social Membership as of 2015 are \$145 per year – HST is included in this amount.

TOTAL REMITTED = \$
